448	Minute by by the Honble Mr. Thomas		Concurs in the views expressed by the Honble President, on the apprehension and removal of the Terumungadi Tungul from Malabar, and observes that if this complicity in the late outbreak is matter of moral certainty, though from his character and position it may not be possible to bring it home to him by Judicial proof he should be proceeded against, and removed — the Magte undertaking nothing against him and his immediate adherents, till amply prepared by the presence of a Military Force, sufficient to put down all opposition, and to give no hope of success to the disaffected	4th Do. 494 Minute by the Honble Mr Thomas — Considers it sufficient to intimate to Mr Chatfield, Sub Collector of Malabar that his letter to the Governor's Private Secretary respecting the nomination of Mr Ward to the Acting Judgeship of Calicut is highly unbecoming, that the letter might be returned to him — 28th Jany 10th Feby No. 39 13th Feby 1852 No. 7

495 Minute by the Honble Mr Thomas — Considers Mr Chatfield's letter to the Governor's Private Secretary upon the appointment of Mr Ward to the Acting Judgeship of Calicut highly improper but sees nothing in it calling for his suspension or removal from his situation — 29th Do No. 40 Do 11

498 — Minute thereon — No. 42

627 Minute by the Honble Mr Elliott — Is of opinion that until the receipt of the promised report from the Acting Joint Magte of Malabar explaining the original causes which led to the Moplah outbreaks, Govt cannot come to any determination upon the measures urged by Mr Conolly in the matter — Observes that the spread of the fanatical spirit from the Moplahs of South Malabar to those in the North, demonstrates the necessity of strengthening the hands of the Magte, and of adopting a more vigorous course for the prevention of these outbreaks — 9th Feby 17th Do No. 47 11th March 1852 No. 12

632 Minute by the Honble Mr Thomas — Considers the dreadful state of [illegible] shown by the Magte of Malabar, to be still entertained by the Hindoos of the North of that District, of a recurrence of a Moplah outbreak, sufficient to justify the immediate appointment of a Commissioner armed with the fullest power from Govt — Observes that if such a Commissioner were deputed at once it would strengthen the Magistrates hands who would still pursue the measures in progress under his ordinary powers — and he could be a referee in such cases, as that of the apprehension of the Triwangady Tangal — 10th Feby No. 48 Do

655 Minute by the Honble Mr Elliott — Concurs in the views and suggestions of the Honble President regarding

No. 61 No. 12

655 Minute by the Hon'ble Mr. Thomas - - - - - Is of opinion that the Magistrate
of Malabar should adopt no half measures
indicating weakness, or compromising
the authority of Govt. and though he
feels great difficulty in opposing the
view of the local officer he can scarcely
desire the withdrawal of the Tungal
from the District as a favor on
his part conferred on the Govt.
as this will not strike at the
root of the evil - Thinks that a sud:

is necessary, the attention of the
Commissioner being directed to
the points noticed by the President 12th Feby No. 52 Do.

1002 Minute by the Hon'ble Mr. Thomas - - - - Is of opinion that the greatest
advantage has resulted to the public
service from the present constitution
of the Court of Small Causes in its
own efficiency, and in its permitting
Mr. E. F. Elliot to devote his entire
time to his duties as Chief Magte.
and Supdt. of Police - Regrets that
the Hon'ble Court have declined

that the only step now to be taken
is to apply to the Governor General

1915 Minute by the Hon'ble Mr Eliott — Under the circumstances noticed, thinks that the inference of the Judges of the Fouj[y] Ud[t], as to the confession of the Convict Goondyah who was unjustly transported in 1838, having been induced by the acts of the Jemadar and Duffadar, is too doubtful (however probable it may seem) to warrant the infliction of punishment upon them as if they had been proved to be guilty — 20th April No. 6 — 1st May 1852 No. 1 Pl.

1917 Minute by the Hon'ble Mr Thomas — Concurs in the remarks recorded by the Right Honble the President on the case of Goondayah who was unjustly transported in 1838, and thinks that the Judges of the Fouj[y] Ud[t] would do well, to call attention to this case by a Circular order pointing out its chief features and the danger of receiving confessions from low and ignorant parties, more particularly where there was little prima facie probability of their being concerned — 19th May No. 7

3436 Minute by the Hon'ble Mr. Thomas - - - - - - Observes that his Memorandum of the 9th August last regarding the Tahsildar of the Cavye Talook in Malabar may now be recorded as a Minute, and thinks it of primary importance that the local Officer's control over their Native Officers in Malabar should not be unnecessarily weakened or their views wholly set aside - - - - - 31st Do. 3652 Minute by Do. - - - - - Cannot see that in a case like the one brought before the Justice of the Peace at Tellicherry against Mr. Kennedy for manslaughter, Government is bound to proceed as the Advocate General propose, but for reasons stated would prefer the responsibility of letting the case drop, and would pass an order on the papers connected with this subject to let them lie over 18th Septr 21st Do. 4117 Minute by the Honble M^r. Thomas — Thinks it desirable that Gov^t. should have before it a report on the case of M^r. Blake Sheristadar of the Subordinate Court of Bellary from the Sudr Court, before the issue of any orders — Octr. 26th Octr. N°. 21

Ditto — Minute thereon — 23^d. D^o. N°. 22

4149 Minute by Pr^t. — Agrees with the Right Honble the President and with the Judges of the Sudr Court that the explanation of M^r. Greenway the Civil and Session Judge of Trichinopoly of his absence for days together from his Court is far from satisfactory, but under the circumstances noticed, considers the penalty of immediate removal from Office beyond what his offence demands; prefers therefore that he be advised of the view taken of his conduct by the Government, and that he be so warned that future similar neglect or irregularity will lead to his removal — Thinks that the Judges of the Sudr Court might be asked if they have the means of knowing whether a Judge merely drives to his office, and returns after a short attendance, or that his duties are transacted in his Court, and the servants in daily attendance, throughout the day — 9th D^o. — N°. 35

4152 — Minute thereon — N°. 36

4465 Minute by the Honble M^r. Eliott — Thinks that the experiment proposed to be made in Trichinopoly of a plan for the employment of Convicts in work Shops within the Jail Enclosure should be authorized, and that Gov^t. should have Plans of all the Jails, and Specifications of the accommodation for Prisoners, for ready reference — 18th May 1850 — 9th Novr. N°. 114 — 9th Novr. 1852 N°. 38 P1

4467 Minute by the Honble M^r. Thomas — On the system of Prison discipline which should be substituted for that in force in this Presidency — 24th June 1850 — N°. 15 — D^o.

4504 Minute by the Honble M^r. Eliott — On Prison Discipline — 24th Septr. 1852 — N°. 17 — D^o.

1852

4742 Minute by the Hon'ble Mr. Thomas — Concurs with the Chief Magte. in deprecating corporal punishment in the case of youthful offenders of all but the lowest classes, and suggests that it be left optional with Magistrates to sentence to short terms of solitary imprisonment or to the corporal punishment provided in the proposed Draft Act for Juvenile offenders — 10th Novr. 16th Novr.
